Sir:

**SUPPLEMENTAL REPLY**

In supplement to the Reply filed April 5, 2005, enclosed is a Rule 132 Declaration over the signature of Y. Fujimura, one of the inventors, containing the same evidence set forth in Exhibit C attached to the Reply. Now that the evidence has been submitted by way of a declaration, it is believed the Examiner can consider it when reviewing applicants' arguments for patentability of the claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
